

'Fertile Earth' by Luigi Mainolfi, Daniel Spoerri garden, Seggiano, Tuscany

What all the sculptures have in common is affection: it's a collection of artworks made by Daniel's closest friends specifically for him and his garden. This completely changes your point of view while you are visiting the property: it's a piece of land full of creativity, inspiration and, of course, love.

'Judgement Day' by Olivier Estoppey, Daniel Spoerri garden, Seggiano, Tuscany
